

CURLSASK

April 25, 2015 - **CURLSASK** Awards Presentations - Ramada Hotel, Saskatoon

In recognition of the late Scotty Richardson's contribution as Secretary-Treasurer of the SCA for 20 years, the Scotty Richardson Memorial Award is presented each year to members of the curling community who have made outstanding contributions to the sport of curling.

This year's recipient is Doug Fehr of North Battleford.

Doug has been very involved in the development of curling in the Battlefords. From serving on numerous boards, chairing large and small events, organizing fundraising events, to always being available to assist with anything needed to make curling at the club successful.

Doug was very instrumental in joining the Battleford and North Battleford Curling Clubs and in seeing the Battlefords obtain the CUPLEX and the Northland Power Curling Center that houses the Twin Rivers Curling Club. Doug spent numerous hours with planning committees, fundraising events and boards to see this beautiful building built.
