

April 28, 2012 - SCA Awards Reception - Ramada Hotel, Regina

The SCA Junior Coordinator/Instructor/Coach Award recognizes the volunteer efforts of individuals who have made notable contributions to their Club and Community through the organization, promotion and teaching of the sport of curling. This year's recipient is **Christy Walker** of the **North Battleford Granite Curling Club**.

Christy Walker has volunteered for Battlefords Curling for over 11 years. She presently serves the Battleford Curling Club on the Board of Directors.

She has been the Junior Curling Coordinator since 2010 and has helped to double enrollment in the junior curling programs she organizes. Christy helped to create and implement lesson plans and materials for the Junior Instructional program and has secured Urban Aboriginal Development and Kidsport grants for all junior curlers. With grant funding, she helped to arrange school groups to take part in the instructional groups.

She has served on Club Host Committees for our SCA events, most recently co-chairing the sponsorship committee for the 2011 Sasktel Men's Provincial Tankard held in North Battleford.

Christy helps to raise funds for the new CUplex multipurpose facility which will be the new home for curling in North Battleford next season if all goes well.

Christy curls as well and has competed in Northern Women's, Intermediate Women's, the Dominion Curling Club Provincial Championships and a few SK Curling Tour Events.

The Battleford Curling Club Contact and nominator, Margo Allaire, quotes:

"Christy is extremely valuable to our club. She is very organized, full of great ideas and always helps put our plans into action. With her financial background, she is able to offer specialized knowledge to help us make better decisions with our club's money to help maximize growth on our savings."

She is often part of special committees and always offers to help with projects by brainstorming or doing errands. Her dedication is truly amazing."

Christy is now a part of the SCA Board having been nominated at the Annual General Meeting held earlier in the day. We look forward to working with Christy as she continues to contribute to the sport that, as you can tell, she cares about.
